

**LOOKING FOR YOUTH MEMBERS TO HELP OUT WITH
“PERCEPTIONS AND REALITY”**

Are you a youth member who's interested in meeting teenagers from other faith communities? Do you need high school volunteer hours?

We are looking for two or three youth from ISNA High School to act as ushers and helpers at an interfaith event entitled “*Perceptions and Reality*” being held **Sunday, October 17, 2010 from 9:30 a.m. to 5:00 pm** at the Islamic Society of North America, 2200 South Sheridan Way in Mississauga.

The purpose of the event is to deal with misunderstandings both internal and external to three religions (Judaism, Christianity and Islam) and to enable our faith communities to provide suggestions on how interfaith dialogue can continue to progress.

Lunch and snacks (including beverages) will be provided. Volunteer hours will also be recognized and a letter provided for your high school.

If you are interested, please contact Aisha Rakie or Lubna Ashraf at ISNA Canada Headquarters (905-403-8406) Ext. 206 or 207 respectively.
