Appeal for June House Closings

June 9, 2009

Dear Housing members:

Assalaamu Alaikum,

Your Housing Cooperative, was successful in raising the funds from its members to meet the requirements for three house closings within the month of *May*, alhamdu Lillah.

IHC board members are first thankful to Allah Subhaanahu wa Ta'ala and then to our members who responded very well to our appeals, alhamdu Lillah.

All my success is from Allah.....(Quran)

On behalf of the IHC board I am requesting you to help us to meet our *June and July commitments*. One of these commitments is for our dear brother, Sheikh Ala'a Elsayed whose house is due to be closed at the end of June, insha Allah.

On behalf of the IHC board I am requesting all of you to help in raising the funds for these house purchases. Allah Subhaanahu wa Ta'al will reward all of you who will respond to this appeal for providing an *Islamic Alternative* to these brothers/sisters for not going into the interest based bank mortgages, insha Allah.

If *one hundred (100)* new or present members contribute by investing only *\$5,000*, it will raise half a Million dollars instantly, insha Allah.

Your IHC board is very hopeful of meeting our commitments but only with Allah's and your help.

May Allah Subhaanahu wa Ta'ala reward all of you abundantly for taking part in this Housing project. You can also help by encouraging other brothers and sisters who have not joined the IHC yet. By doing so and investing their funds in this project, they will get halal dividend from their investment. It will also save the IHC members from indulging in interest based deals, insha Allah.

Jazak Allahu khairan,

IHC Board
