Assalaamu Alaikum,

On behalf of ISNA Canada I would like to thank everyone for their sincere efforts and a successful convention Alhamdu Lillah. It was wonderful to work with RIS this year and particularly heartwarming to witness firsthand the dedication of so many young brothers and sisters. You are the next generation of Islamic workers and will inshAllah build and improve on the efforts of those before you.

It has been a pleasure working with all of you who contributed to this convention. Indeed, we are humbly attempting to provide a service to the community and while at times there are different challenges we must always rely on Allah SWT for His support and work for His pleasure alone. I wholeheartedly agree that while it is easy to become disappointed by less than expected numbers, it is important to remember our motivation for staging these events--for the sake of Allah SWT. As Imam Siraj Wahaj once said if even one person has learned something from our efforts then they have been worthwhile.

InshAllah, I and everyone here at ISNA Canada HQ look forward to working closely with all of you in the future. I would like to wish everyone a joyous and beneficial Ramadan and may Allah SWT increase us in Iman and accept our fast inshAllah. Ameen.

Jazakallahu Khairun,

Your Brother in Islam,

Mohammad Ashraf. Ph.D.
