REMINDER FOR ISNA - CANADA ZAKAT FUND

السلام عليكم ورحمة الله وبركاته

Dear ISNA Member:

I hope and pray to Allah ^{وتعالى} that you and your family are in the best of health and highest of Iman, enjoying the blessings of Ramadan. This is just a kind reminder to you for an appeal to donate to the **ISNA Canada Zakat Fund** during the holy month of Ramadan. That is what the month of Ramadan is all about - **a reminder for all of us to give before it is too late.**

I would like to take this opportunity to urge you to donate generously in the blessed month of **Ramadan** to the **ISNA-Canada Zakat Fund**. ISNA has always been involved in helping needy Muslims not only in Canada, but all over the World in the past, present, and future Insha Allah. Thus, ISNA Canada urges you to donate generously to its **Zakat Fund**.

I also encourage you to make some firm financial commitment to this cause. During this blessed month, our giving in the way of Allah ^{وتعالى} is rewarded tremendously. **A receipt for tax deductible purposes will be issued and mailed to you later for your donation, insha Allah.**

Jazak Allahu khairan and wassalamu alaikum.

Your brother in Islam,

TEST OF ZAKATABILITY FORM

The purpose of this exercise is to determine the zakatability of a person's assets. Zakat is an individual obligation, i.e., every Zakat payer must calculate jointly if each member owns Nisab separately. Nisab is the equivalent value of **3 ounces** of gold today, **August 24, 2010 (\$ 1,305.00 Cdn per ounce)**. Therefore, the value of Nisab for a Muslim in Canada will be approx. \$ **3,915.00** (Please Check for any variation in gold prices at the time of your calculation.)

NOTE:

1. For further discussions about Nisab and its estimations, refer to the book by **Dr. Monzer Kahf: *The Calculation of Zakah for Muslims in North America***, or some other authority on the subject.
2. In all cases where a lawfully earned asset of a Muslim is put to an unlawful use, only the principal amount will be considered for Zakat and not the interest accrued on it, because interest does not become the property of the Muslims.
3. Mortgages as practised according to the western economic system, are prohibited. However, if a Muslim has any real estate purchased on such a mortgage system on his own responsibility, than he/she should decide whether to take into account or not for Zakat calculation.

Now, take the following exercise and if you reach the Nisab, fill out the calculation form on the other side.

	Yes	No
1. Do you have cash on hand or/and in bank checking, savings, deposit accounts and investments of a total balance of \$ 3,915.00 or more ?	<input type="checkbox"/>	<input type="checkbox"/>
2. Do you have shares, stocks, bonds, options, certificates, securities, etc. of a total balance of \$ 3,915.00 or more ?	<input type="checkbox"/>	<input type="checkbox"/>
3. Do you own a business of more than \$ 3,915.00 ?	<input type="checkbox"/>	<input type="checkbox"/>
4. Do you own real estate (excluding the house in your use) valued at more than \$ 3,915.00 ?	<input type="checkbox"/>	<input type="checkbox"/>
5. Do you own more than \$ 3,915.00 worth of milk-producing animals, meat animals or farms?	<input type="checkbox"/>	<input type="checkbox"/>
6. Do you own jewellery of more than \$ 3,915.00 (including gold, silver, and jewellery certificates) ?	<input type="checkbox"/>	<input type="checkbox"/>
7. Do you own more cars than the number of working people in the family?	<input type="checkbox"/>	<input type="checkbox"/>

If your answer to any of questions **1-7** is yes, AND if the total value of items **1-7** is more than \$ **3,915.00** after deducting the amounts payable by you to others towards loans and debts including the mortgage on the house you occupy but not on rented property, **YOU MUST FILL OUT THE ZAKAT CALCULATION FORM.**
